

INVITATION TO PARTICIPATE IN ACCAN'S **CYBER SECURITY** ROUNDTABLE FOR PEOPLE WITH **DISABILITIES** PROTECTING EVERYONE ONLINE

CONSUMERS ARE ENCOURAGED AND EXPECTED TO COMPLETE MORE TRANSACTIONS AND ACCESS IMPORTANT PERSONAL INFORMATION ONLINE. BUT HOW WELL IS EVERYONE **PROTECTED** ONLINE? HOW **ACCESSIBLE** ARE ONLINE SERVICES? AND HOW WELL DO CONSUMER EDUCATION MESSAGES MEET THE NEEDS OF PEOPLE WITH **DISABILITIES**?

This Roundtable will hear about current cyber security issues from leading advocates in the disability sector, as well as discussing industry and government initiatives designed to create a safer online experience. The Roundtable will identify what people with disabilities need to protect themselves online.

The Roundtable forms part of National Cyber Security Awareness Week and will be opened by the Minister for Broadband, Communications and the Digital Economy.
